

◆ Annual Meeting News

Thank you for your support to JSMO2018.

I am pleased to announce that 2018 The Japanese Society of Medical Oncology Annual Meeting, which was held from July 19 to 21 in Kobe under the theme “Beyond Borders-Nation, Organ, Profession” ended successfully with a large number of participants.

I would like to express our sincere appreciation for all who supported the meeting.

We had many participants to Patient Advocate Program, where we had a very beneficial time with medical staff, patients and their families.

Thank you again for all your support for the success of the meeting.

We hope for your great success in your future.
